Nancy / Mark,

In the spirit of continued good faith in working with the EPA in support of the Flint community, Ben Ranger and I would like to have a short (no more than 30 minutes) conference call with the two of you.

We would like to focus on the preliminary results we have on the [Ex. 6 - Personal Privacy] House and discuss ongoing testing at the [Ex. 6 - Personal Privacy] house. This testing was done in conjunction with the UA 370 Plumbers' Union.

Thanks and looking forward to speaking with you.

Best Regards,

Scott Smith
